Laura

Madi did my wedding makeup and was incredible!! Right from the start, at my trial, she was so friendly and really knew what she was doing while also welcoming input from me. She's super organised and so calm and relaxed which was helpful for a wedding. Madi is insanely talented at what she does, I trust her with my life!

Marissa

Just wanted to say thank you so much for the beautiful makeup you did yesterday. I still can't believe how good it was! Lasted all night, I didn't even have to blot tissue at all! Stayed perfectly in place. Everyone couldn't believe how good it was, you're so talented <3
